We would like to know a little bit about yourself. In the appropriate boxes below could you please tell us any skills or abilities you have and would volunteer to help the club with. It may be something not connected with aviation eg solicitor, accountant, dentist etc. It is possible that we may be able to generate business for you from within the club. Of course, if you are a skilled mechanic or own a concrete factory that too may come in useful.

We would also like to know what you expect from us, for example you may be an experienced pilot and require nothing other than a strip of grass to fly from, on the other hand you may be a complete beginner and therefore need training. We can cater for both of the above and more but we do need to know.

I would like RMFC to help me with:

*Will you please sign and date this application below and return to the address above with your cheque payable to: **Retford Model Flying Club**. If your membership is accepted you will be sent a New Members card which is valid for a period of 3 months at which time your membership will be reviewed. If your membership is accepted, you will be invited to join as a full member by paying the subs for the remainder of the year. If your membership is declined for any reason you will be expected NOT to fly on RMFC sites again. If you have purchased BMFA insurance through RMFC, your insurance is still valid for the remainder of the year and no refund can be given.*
